WHAT IS APPRENTICESHIP?

Apprenticeship is a combination of on-the-job training and classroom learning that leads to a skilled trade credential.

- 90% is in the workplace with an experienced skilled worker
- 10% is in school at an approved training centre, union hall or college
- Apprentices follow training standards to become skilled in the trade

🍁 Indicates a Red Seal trade

▲ Indicates a designated compulsory trade*

Trades that are not compulsory are non-compulsory trades**

*Compulsory trade: a trade in which registration as an apprentice, journeyman candidate or certification as a journeyman is mandatory.

**Non-compulsory trade: a trade in which certification is not legally required to practice the trade.
